

Community Centered, Locally Focused

We are passionate about our local community. We work proactively with local businesses and organizations to help keep it a wonderful place to live, work, and play.

When you dine at a Valley Originals restaurant, we guarantee that a portion of your bill will be donated to a worthwhile local charitable organization. In 2015 alone, The Valley Originals donated over \$226,900 to local organizations, thanks to the patronage of our guests. We also strive to work with local farmers and local producers of high quality products whenever possible, bringing the farm as close to our tables as we can.
